

Save \$50 on Botox or Juvederm

Get the skin you want.

If you've had enough of crow's feet and laugh lines, Botox® and Juvederm™ are FDA approved treatment options shown to reduce wrinkles and smooth out natural lines of the face.

Call **612-339-2836** to schedule a complimentary consultation at our Maple Grove clinic in the North Memorial Medical Office Building. All procedures are performed by our trained, licensed physicians.
